Medicare Insurance Policy at InsideOut Body Therapies

InsideOut Body Therapies, LLC is not a Medicare Provider. The studio cannot file claims for any of the following: ALL Medicare plans including (but not limited to) Medicare Advantage plans, Medicare Replacement policies, and Medicare Supplemental policies.

If you are currently receiving Medicare benefits, or will begin receiving Medicare coverage or supplement plans in the future, and are engaging (or intend to engage) in Physical Therapy or Acupuncture services at InsideOut Body Therapies, services provided will require payment in full, at the time of service. The following fees will apply:

Physical Therapy - Initial Evaluation: \$120
Physical Therapy - Follow Up Session: \$80

Acupuncture - Initial Evaluation: \$140
Acupuncture - Follow Up Session: \$80

Since InsideOut Body Therapies is not a Medicare Provider, the Medicare system does not allow claims to be submitted for services received at this facility. Clients are not able to independently submit claims on their behalf and InsideOut Body Therapies will not be able to provide you documentation for such efforts. Please initial and date: _____

If you have questions regarding your insurance plan benefits, Medicare coverage and whether your services will be covered with our standard filing procedures, we recommend that you contact your plan administrators. If claims are rejected and/or your insurance company requests a Medicare Provider number in order to cover services, InsideOut Body Therapies will not refund services provided. Please initial and date: _____

I, _____ understand and agree to the above.
